Reference: June Monthly Report (5/1/10-5/3/10)

Dear Mr. Norfleet:

This letter is in response to your request for additional information, dated 8/20/10.

Your letter indicates that payments to the Senate Conservatives Fund and to Envision Marketing that were disclosed as independent expenditures on 48 hour notices have different dates than the same payments disclosed on Schedule E, supporting Line 24, of the above referenced report. The 48 hour notices filed disclosed the date of public dissemination of each of these expenditures. The above referenced report disclosed the date of payment for each of these expenditures. The Senate Conservatives Fund will clarify this on all future reports by noting the date of dissemination in the purpose field of the independent expenditures if the date of payment is not the same as the public dissemination date.

Thank you for bringing this to our attention. It is the intention of the Committee to fully and accurately disclose all financial transactions. However, the Schedule E only allows for one date to be reported and the Committee discloses the date of payment, as instructed by the FEC. Future reports will provide clarification of date differences as described above.

Sincerely,

Lisa Lisker
